Digital Detox:

How do we teach our children that there is life outside of their phones, social media and video games? We take time to unplug! At Camp Hemlock, we are committed to being 100% unplugged while your child is at camp. One of our goals is to show them that not only can they have a blast without being plugged in, but also develop real and meaningful relationships with the people present at camp.

Phone Policy:

There is no cell phone reception at camp. There is a primary phone line for camp business and emergency use by the staff. We encourage dads to be fully present with their child. Camp is a special bonding time for dads and boys unlike any other opportunity available during the rest of the year. Please do your best to clear your work schedule so that you can give your son the attention he deserves. There is a secondary phone line where personal calls can be made if kept to a few minutes, but we strongly encourage you to let the phone call wait and be with your son.

Mail Call:

Mail call is a fun part of lunch each day. We recommend 2-3 pieces of mail. The first should be sent 2-3 days prior to the first day of camp or dropped off at the Wardensville Post Office when driving through town. Camp tradition calls for anyone receiving three or more pieces of mail in one day to run around the dining hall. It's fun, but please don't overload your child.

"Do's & Don'ts" of Letters:

When you write your son, ask him what he is doing and tell him what you are doing. Refrain from statements like, "I miss you so much," "I can't wait 'till you're home," or "The dog sure misses you." As well-meant as these statements are, they can cause a camper who may be prone to homesickness to feel some symptoms.
